Man they should totally activate all the character voice responses in the next Scripts patch.

When attack someone with the Flamethrower, they TOTALLY spaz out saying:

"MY ARM! MY LEG!!! I'M HIT!! OW!!" and they overlap each other.

They even say stuff when their comrades die, like "NO!" "MAN DOWN!"

And the Nod guys are awesome, saying "INFIDEL!!!"

It'd be hilarious to add this, as an option or something... think of the immersion... ;D
