ehhh wrote on Sun, 16 September 2012 03:56ls there actually anythign wrong with you medically mdk?

they all like to think there is ? maybe some one gave them the idea I was ill at some point but as most know from storys such as guys chatting up a girl jenny who then turned out to be a boy? all that is said on the internet is not true I mean for all charlie knows I could be female
