For those of you who actually made it this far down the page.....

My girlfriend said they were telling jokes at camp and they werent suppose to be racial or perverted. And so this little elementary school kid gets up and told a joke that goes something like this.

There was a boy those uncle Jack was on a roof and couldn't get down. So the boy ran into town and got a man and said to him "Will you help my Uncle Jack off".

All the middle schoolers cracked up
All the older kids were stunned and shocked :shocked:
