and guess what.. when I resigned not long ago (Early June) people were quite free to speak their mind (and they always are, as I don't ban people for personal issues) as I no longer had any power over them and guess what? Nothing but good words and people asking for me to come back. More than I can say about you...

All iran did was speak his mind against the people in RenCorner and look where it got him? A ban!

Lies, go away raven your time has passed!!1
