oh right, I forgot you have extensive knowledge of Jelly's internal affairs. Oh wait, I misspelled "you have absolutely NO knowledge of Jelly's internal affairs" and you got your "evidence" from a pathological liar. our only good relationship with Wilo was from us having our IRCd linked with his, and we didn't even like it that much, but it kept the Renegade community that much more together - everybody still fucking hated his ass.

take your medication and stop pretending you have even the slightest clue of what you're talking about LMFAO
