if they're the best ever, why did i shit on many of them over the years? i'm not a pro clanwars player, i'm just some regular public noob

they excel 100% in small games, where they practice and have played for years  
the bigger the game, however, the less of an impact they actually make

if clanwars players are the best ever, why has cw.cc lost community matches on multiple occasions?

god damn you faggot you type almost as much as spoony, takes so much time to find shit
