crap i knew that, just at work and couldnt place it.

in that case, dont kiss my ass i dont want you anywhere near my country, let alone my tight ass.

jump in a ditch. oh and, hi.

shai, sorrow had a problem with me personally, not jelly cin generals well specifically she has a mental problem blocking her from being a decent and reasonable human being....but i havent finished my psychology/finance degree till october 19th.

suggesting i should apologise for saying 'kiss my ass' is quite frankly, fucking ridiculous. I along with many others cant beleive this is even an issue on jelly yet alone covering multiple forums. Not sure whether to be impressed at the renecommunity or ashamed???

either way, rachel can go have pole-in-ass-removal surgery and if she comes back a half-decent person, il be willing to aplologise for offending her!

liquid no point being half-assed in your discretion btw.
