FlaminGunz wrote on Sun, 23 September 2012 22:04 should apologise for saying 'kiss my ass' is quite frankly, fucking ridiculous. I along with many others cant beleive this is even an issue on jelly yet alone covering multiple forums. Not sure whether to be impressed at the renecommunity or ashamed???

It's not covering multiple forums, it's covering RenForums. That is to be expected; nobody here has anything better to do.
