i made a new site for all my cnc_c130drop files its kinda empty at the moment i just need a bit of help with the content im trying to build up a data base of all the cnc_c130drop files for renegade but if you want to submit your own map/mod you can.

at the moment the site address is <http://www.blueinferno.co.uk/cnc130>
but its will soon be <http://www.cnc130heaven.com>
