liquidv2 wrote on Fri, 12 October 2012 06:53shaitan is quick to criticize Jelly whenever he possibly can, and yet the community he's a part of has to publicly hide content in the way a communist government might

Jelly may not be perfect, but at least it has nothing to hide

I dont blame the server at all it.s shiton pulling all the strings even the owner is doing as he is told by shitard .

fact owner wanted expert shitard did not so shitard got rid of expert and owner said or did nothing ..

and now they are vetting or checking every new member in case one of us makes a fake profile to view what ever they are trying to hide ....
