Goddamn, that's awkward.

Quote:awk·ward (ôkwrđ)

adj.

1. Not graceful; ungainly.

2.

a. Not dexterous; clumsy.

b. Clumsily or unskillfully performed: The opera was marred by an awkward aria.

3.

a. Difficult to handle or manage: an awkward bundle to carry.

b. Difficult to effect; uncomfortable: an awkward pose.

4.

a. Marked by or causing embarrassment or discomfort: an awkward remark; an awkward silence.

b. Requiring great tact, ingenuity, skill, and discretion: An awkward situation arose during the peace talks.

Hmm. Doesn't seem to match - I was thinking more along the lines of Gosh, how unsurprising that my supposed intellectual superior would rather not ever read my messages (although this implies that I believe for a second he doesn't read my message anyway) than actually try to refute the evidence presented against him to indicate that he is a god damn fool. It's a shame, to be sure; but I don't actually think shaitan would ever learn anything anyway.

At least he's not the Head Administrator of my community

Also, dedlil1th
