Goddamn, that's awkward.

crazy thought ..that he must have read my message to come up with this reply ?

we all have ppl on ignor but that pesky little function where it says reveal message..is just so  
tempting ...

althou I can see why shiton would hide my messages thats what he is good at hideing the facts.  
realy shiton what a total fucktard locking down your own forums to hide any old or new mistakes  
or problems that you fail to deal with .

you play in to everyones hands by your own stupid actions. maybe you need to remove all those  
forum users that have not posted as we are all in there somewhere...
