ehhh wrote on Wed, 10 October 2012 17:21 majority of the younger generation actually prefer hot choc or coffee to tea

lol

Tea and coffee isn't a case of taste for me.

Coffee is I want a quick caffeine hit to get me through a few more hours at work.

Tea if I'm sat down relaxing. Hot chocolate if I want a drink that tastes good but will in no way keep me alert. Like before bed...
