yeah shiton tends to type the wrong things that should not be said..?

I mean to type such a comment about the place where you work on facebook ? would be a shame if some one takes ss and shares on every walmart fb wall also twitter and emails to the company . they would be realy happy ...

.....  
Have to love retarded Walmart. They were supposed to give me sat or sun off, but they end up doing tuesday, and told me to thank the guy who wanted tuesday. The last I checked(a day ago) you need an employees permission to work them 7 days in a row. I even showed the retards the state law, lol.
