[10:01:42] <shai> You think that shit's funny. You're a fucking moron

Session Close: Tue Oct 16 21:48:45 2012

If it was such a public forum, why make fake accounts to try and pull this off? The only reason that one got accepted was because I was going out the door and was accepting RnD's friend request. I figured it was some other Rencorner guy befriending me as well.

Interesting, how you have to resort to this shit. News flash honey: I'm still employed, and still at Rencorner.

GJ shiton your the man
