okay this topic is getting way better

at least now we know for sure shaitan is angry, and it delights me to no end when he replies to my posts even though he made a point of noting earlier that I was ignored

and yes, MDK is definitely taking this to the extreme - however, I am not stupid enough to post public evidence of me saying negative things about my employer so I am in no such danger of such an occurrence - no skin off my back

no shaitan, you are not a psychopath because you are mad at MDK for doing this - it is for other reasons entirely (though related to this topic)
