TEAM MDK wrote on Thu, 18 October 2012 11:04the fact around the time was prior to all the crap going on with wilo and storm you really had no idea who I was as a player .

I never came up on the jellys radar and none of the mods or admins ever had a problem with me in game or any forums.

actually, i was one of the admins, and you were on my radar

that's why i made you disappear from it

the cheating situation just tipped the scale in the ban's favor

you are having a very hard time understanding this concept, and i know you're too stubborn to accept the truth, so agree to disagree i suppose
