I have nothing... other than what you yourself said? How is it not evidence that YOU said that  
YOU were going to flood servers, that's straight from the horse's mouth! Sheesh, logic  
Flooded? You can even ask reborn, nothing was ever "flooded". You were saying something?  
Do you believe everything you read on the internet?

Does anyone else see something illogical in this post?

triple A quality shaitard post

I love how you cannot read, nor interpret a multiple meaning phrase.

Where's the supposed "death threat"?

You missed the really bad pun, too. Since you're from that 3rd world countrty, we'll chalk it up to that.

Vultima and tristt are trolls. Any time they join a server stir up shit.

Did you deformed children get HIV and die yet, iran?

Haha, I think iran made you mad.

In all seriousness, I'm pretty sure if I spoke like shaitan does in here while "representing" Jelly they'd either tell me to shut the hell up or kick me off the staff.
