Oh god no, it's a command that plays a really funny clip, especially when it is spammed. Well it is a terrible crime if people have some harmless fun with it, and I mean, they don't even have any malicious intent to hinder anyone! Can you believe that! How rude is it of them to have a laugh after a fun commwar for one minute by playing a sound clip over and over again. HOLY FUCK. A FUNNY SOUND CLIP PLAYED OVER AND OVER AGAIN, FOR A WHOLE MINUTE, BECAUSE PEOPLE ARE HAVING A LAUGH ON TEAMSPEAK.

OH DEAR LORD GET YOUR PITCHFORKS MEN, THIS IS AN OUTRAGE
