Just wanted to say that its nice to actully find a forum with a few conservatives on it. Ah, such a relaxed feeling of being with people that know what they're talking about. I don't have to do all the dirty work myself.

Anyone ever heard of The Garage in Burnsville, MN?

<http://forums.thegarage.net>

ouch. A 99.9% liberal forum. It's brutal. On that forum, I am Snoturky, I keep the left at bay, defending the right. (No pun intended, he he)
