those 3 mean no harm; they probably didn't realize it was annoying or upsetting Zunnie and his players

MUDKIPS is half-retarded anyways - all you hear on teamspeak when he's on is dutch laughter at something that's probably not even funny  
i had to mute him completely during the Spoonplex tribute video

i apologize on their behalf, because it's not Jelly's intention to offend neighboring communities especially during a funwar or lobby war
