Jesse wrote on Wed, 14 November 2012 17:44Quote:Quote:Yeah because it's so easy for my parents to run a private optometry business when most of the insurance companies will no longer cover private practice and on top of that most patients cant even afford health care anyways so they buy the cheapest eye exam and glasses walmart has to offer usually totalling 2.25 and then on top of that you've got to provide money for salaries for 50 people and buy them all health insurance .. in this economy. Seems pretty plausible. Go Obama.

How much of that rather long run-on sentence was the case before this Obamacare thing came into effect? (besides "the economy")

None of it .. ?

Oh dear. Well, that clears one thing up at least. At least we know where your parents are coming from.

FYI, I'm not gonna diss your parents, though you were quite happy to rip on mine a year or two ago. Don't worry about that.
