Be on ts.jelly-server everytime you play and we will find you during the evening hours and we will play! You can even find others on your own and keep the teamwork going!

Just some clips from tonights action that was a 4v4 planned within a couple minutes of us being on together.

Any questions about server and TS info you can send me a pm

4v4? Shocking.

Maybe you need someone to help you organize these things crushy
