iRANian wrote on Mon, 26 November 2012 19:18 This is one of the worst infantry only maps I've ever played. There's a REALLY small tunnel thru the middle and two sides with really rocky terrain and more hills on it than Fjords. Humvees and Buggies spawn and both bases have lots of defenses. It's an unplayable mess.

I agree. From what I see in the pictures.. This map is all infantry and overuse of guard towers. I wouldn't call this map unplayable but a difficult and long game for both sides.
