The hoep of this early relase is, to get soem help from ppl like YOU.

So if you LIKE to help, just contact me and I'm sure, we'll find a task for you

About the Beta... uhm.. think about it more than a preview than an first version of the 'final' relase.

So, start your mail programm or IM or PM me if you wants to help, or if you think you can do a better job in ANY part of the Mod
