I remember you Anthrax, you're fucking famous too. You were bawling on Teamspeak because your Facebook was stolen and deleted. The best part was that sliver of hope you were given("relax, your emails are fine"), but that was a lie.

You have 12 hours to return my password on facebook to me and my fucking e-mail account to the internet crime helpline, and you will be spending time in jail. This is not a fucking joke. Gro on teamspeak.

HaTe...this is what I did, posted his picture to someone in a PM. That's it. I don't even know if I deserve this? When I'm taking him to court he'll have absolutely no case against me, so he's taken off to jail for something so stupid. Hope you enjoy cock in your butthole Xpert,

Even if what he did was uncalled for, like i said, that was not the only thing you have ever contentiously fake this attitude like you are the one being accused, no one is falling for it this is a little over the top...and the fact that you posted this publicly shows a little something about it. You clearly only wanted to make a scene by posting this here...

Hate...your IQ is too low to understand what's going on, let the grown-ups talk. Legal action and also I've never done anything against the law, he's committing atleast 5 felonies by doing this try, but I've actually got a case here.

Never said what you did was illegal, it's just extremely annoying, and you know it, and like I haven't posted why you prefer to have this here, rather than in a pm....hm?

I like him to know that everyone knows what a piece of scum he is ... instead of keeping it all know the story behind it.

You are certainly upping your reputation in doing so, too....sigh. Maybe there is more behind the scenes and taken to pm. It's a fucking facebook Anthrax, it's not like he just murdered your family lawyer, and filing a formal complaint on the internet crime helpline," is a little rage worthy

It's not just the facebook, he deleted three of my e-mail accounts that I need for my college. I have a facebook since I've had it since 8th grade and I don't want to lose that stuff either. I don't want to...contact his ISP and have him shut down, contact this server and forum provider and the whole community could be gone by wednesday. I have lots of people involved in the law in my family. I just return my password to facebook, and my e-mail, and we can pretend none of this ever happened. Please talk to me again. Everything's fine.

But if he doesn't give it back by 10 PM CST tonight... yeah.

Facebook is 6 years old, you have had it since you were in eighth grade (11-12 years old) grown up, and much more mature than me, when i happen to be 17 years old as well.

Sorry, but i have never laughed so hard in my life. Thanks for that.

Somehow i highly doubt Xpert's intentions were to keep them permanently deleted in the is so much better than making a huge scene here. If he has "12 hours" to return the pass
