General Havoc There is another one which Travis took but I couldn't find it though. It was the one with the sedens coming from the Hand Of Nod. I had one with 3 Sedens on the WF ramp jumping off which looked good too. Hey we could make an italian job Renegade movie

Now thats a good idea. Somone would be Havoc and be the star of the movie. Other people can play as other characters and be stars of the movie. 3 people can be the cameramen. All you need now is a script.
