laeubi wrote on Tue, 01 January 2013 11:01FYI: The original RenHelp tutorial page is still online at <http://renhelp.laeubi.de/>
Even if not up-to-date you will find many usefull information there.
Yup, I still use it every so often, I really wish this could be revived and updated again, loved the old Renhelp site, that is the only tutorial site alive, and working.
