Well I used to play Renegade years ago, probably going on 6+ years.

I lost my CDs years ago also, hence why I haven't played.

And just recently I bought a C&C complete pack which includes Renegade.

I loved this game and was happy to see that there are still people out there who care about and still play this game.

I would love to play with some of you sometime, so if you want just go ahead and PM me on the forums.

Thanks,
Ryan
