Ok, let me jog your memory a bit.

C&C\_Field

Me: Looooool look at all my kills

(about 50, nothing super special, just a slight boner)

You: You wouldn't even have 10 if I were in the tunnel

Me: Yea ok

Too bad you were on my team at this point so I couldn't prove it, however you came tunnels near the end and racked up about 5 kills against a team with no bar, gj.

That to me really isn't "not talking" ingame is it now.

C&C\_Volcano

A few games pass, you appear to have a one sided vendetta for me, targeting me over any one else, Pinball, mrhero101 probably heard my commentary of your faggotry on teamspeak.

I even make slightly asshole comment of "Lol 3-1 itoxics, better get better bro." Referring to the 3 times I killed you to the one you had on me.

If you want to deny it its fine by me, only person you're lying to is yourself
