what are you called in-game btw?

oh i'm lieing? point out where i'm lieing please. Iran can deny the pistol scenario all he wants but he got served with a pistol haha. he was never shitting on me. so far i have never even played Iran 1v1 in proper combat. he always has a wall or some1 with him when i see him. chicken shit.

like in volcano when i shot you iran, you ran back in the tunns with the rest of the saks and sbh fags, where you got cover to avoid me killing you. what did you tell me that time? oh yeah, you had to fall back and some other bullshit u made up.
