err im called Vultima ingame, is this some sort of ploy to make it look like you don't even know who I am or something lmao?

I understand there are 2 of you, but I'm pretty certain I have come across the both of you.

I would point out where you're lying but id probably crash the forum with the amount of quote tags I would have to insert into one message

Not to mension you/your friend, got caught out by Kesler for invisi hugging after I brought it to their attention!

No being a hypocrite please!
