Jesse wrote on Tue, 26 February 2013 03:55And apparently tunaman never experienced it either .. they are four random retards setup to take on 12 other people and yet you write it as if its a big deal to have outplayed them .. point proven. I shit on them plenty of times myself if they decided not to abuse lol.

guess you trolled me, thought you were saying they cheated, which they obviously didn't because they were still terrible. even sunami3

I guess you never actually outplayed them, because they often banned people who did. I was banned by Sunami3, I think Spooky was too and took screenshots or something? Don't remember.
