Haha I gave you a pretty tame response and you still get all angry and butt furious over nothing, I thought you had a life to be busy with? Kind of ironic and hypocritical for someone who cares so little.

I'd seriously consider the possibility that you're trolling us if you weren't obviously enraged because Spooky decimates your arguments. I like how you still lack reading comprehension, thus you read what I'm saying and come out with the exact opposite impression of what I actually said. You can't fix stupid, apparently.
