AircraftkillerQuote:One such error is the lab in the cave, at least one wall has no collision settings, so i fell right off the map. Another, you should slowly die, like in a tiberium feild when you fall in the monster. Plus needs a lot more texture work.

Reading is good for you. Try it, sometime!

Funny

He said 'many' one would assume he ment more than 2, one which has already been explained and mentioned anyway.
