Jesse wrote on Mon, 25 March 2013 14:41 I don't know why people think years in prison aren't a long length of time. Three years in a place where you have to fear for your life every day? I'd rather not spend a single day there. Then again in the UK prison is probably just your regular hour without any access to soccer tv channels.

I agree. I wouldn't want to sit in jail for a day, let alone months/years. The amount of shit you could miss out in life would insane (if you have a life lol) - either way I still think this kid deserves more than 3 years..
