Poor Iran someday he will have something in life to look forward to other than renegade, he might even get laid if he plays his cards right and saves enough for a paper bag AND a hooker. It's okay buddy if you keep trying some day after the game is dead at least one person might think you're good at renegade. It only took you 12 years playing as Maikel and being the bottom of the leaderboard every round to get to somewhat mediocre status! Keep going bro!
