As for this little fuck, who gets so mad enough to ban someone for people liking his skins and maps more then his, I don't care about mpf nor do I care about you, I just went to mpf to show off my work not to become someone there. And I am fine at RenCorner where I am admin just like you are at mpf, but don't worry I wont ban someone for having better huds, skins, and shit.

what work... you had like 2 "skins"
