As for this little fuck, who gets so mad enough to ban someone for people liking his skins and maps more then his, I don't care about mpf nor do I care about you, I just went to mpf to show off my work not to become someone there. And I am fine at RenCorner where I am admin just like you are at mpf, but don't worry I wont ban someone for having better huds, skins, and shit.

VuLTiMa wrote on Mon, 20 May 2013 22:31 Why would I want to get unbanned LOL, its a server full of retards(retarded moderators, players actually seemed nice), played for what 15-20 mins? Racked up 40 kills, sure, what makes it more retarded is you retards who come out of hiding to bombard me.

You couldn't sense the sarcasm in that?

You were clearly baiting this to happen, ofc I was going to post here after that, how would I possibly pass up this opportunity to show whats left of the renegade community how retarded you are.

To me all this sounds more like children crying and shouting at each other, seriously.
