All of the donations that RenCorner received, was used by Animoski for his weed and other shit. He didn't use any of the money to pay for the servers. Trojan/Volcom had to pay for the servers every time. From that you can see how bad of a owner Animoski really is. I am really disappointed from this. I've donated a lot and none of my donations were actually used for RenCorner. This makes me sad yet mad at the same time.
