I didn't have to, but everyone knew something about it, whether they knew there was a rumor out there or whatever it is. I've got nothing to hide shaitan, I just needed to put a stop to all this bullshit slinging back and forth. You know how many people came up to me and said I sold RC for \$5k? Like where do people even get their information from..

@ACK - Thanks for sympathizing with me. Advice on where to go from where would be even better honestly.
