I don't know what ACK has replied since he is on my ignore list.
But it probably nothing good.

I have only one thing to say really: ACK, "your" maps that are actually playable are only the ones that Westwood gave to you years ago.
All of the maps you 100% made yourself are teh suckage lol.
Torpics, DM Center or whatever, Beach, even Fjords plays like shit, sure it looks nice though i'll give you that one.
