Aircraftkiller wrote on Tue, 02 July 2013 18:30The irony is that he spends his life trying to be a Renegade moderator, which is basically the job of e-janitor, and sucks up to everyone everywhere he goes in order to ensure that he is selected for a moderator position. Then he tries to tell other people that my life must suck because I don't care about what he thinks and delight in reminding him of that

Surely, he can't wish to kiss that much ass for an e-janitor job. It's kind of pathetic I have a co-worker that likes kissing ass more than anything else... its a shame for him our company will hire people directly into the positions they want rather than promote people internally.
