So what if I keep killing my team's tanks before someone else does? What if I kill my teammate before he dies?

It seems they would just get a get-away free pass and respawn with a refund.

There is no point of this. Your kills don't even go down 1. It sounds like an UltraAOW Friendly Fire 4 Trolls Weekend.

I'm going to assume you have never played Hardcore S&D on Call of Duty. You would be kicked after killing your teammate 2-3 times. It's not fun to be killed by your dumbass teammate.
