Aircraftkiller wrote on Sun, 08 September 2013 21:37 I'm not going to sue him, but public shaming is always a great option. MPF seems to love digging themselves into huge holes.

You must be very comfy with public shaming, since you had tons of situations where it happened to ya!

I cant imagine how butthurt you must feel to see some1 releasing finished work, not that its an ACK Map which isnt finished at all
