Dav3 wrote on Sat, 14 September 2013 12:27I used to play years back. With a downloaded renegade, updated, with no cd crack, and with game spy. Then after game spy it was resurrection as a server browser and anti cheat.

How do we play now?

Do many people still play? Lots of servers and stuff?

Come find me on [irc.thematrixserver.com](http://irc.thematrixserver.com) and install teamviewer.

I'll get Rene working for you.
