Considering the Matrix is vastly popular in the world of internet users, I thought that this was semi-appropriate to post here...

Anywho, if any of you watched the Survivor premier on Thursday, there was a brand-spankin' new Matrix Revolutions trailer.

Since I'm lucky enough to have the hardware, I recorded it and converted it to an AVI file for your viewing pleasure

Unfortunately, what I don't have is a stable host. If you want it, I can send it to you (AIM: TaximesCNC CSG), but even better would be if someone wished to offer hosting for the 17.6MB File
