you guys enjoy modding your favourite game/engine RENEGADE fairplay. renegade is the only real online gaming experience I have had, that is why I am so eager to play renegadeX (standalone multiplayer), fingers crossed it will have the same adrenaline as playing the renegade I know and love (Ai=coopHD(tyvm)xD).

tbh guys if you are the people helping out with RenegadeX then I would work on that and nothing else. The longer it takes to make the older it gets
