-TLS-DJ-EYE-K wrote on Tue, 15 October 2013 18:18 You really wanna start to argue huh? Catch me up on IRC and we can sort this out. im the bigger Person and drop this here now, since it aint the Spam Section, but feel free to contact whenever u think its the right time to correct your wrong view on the RenWorld as it is currently Son

This entire bit of broken English mixed in with half-ass abbreviations is an oxymoron if I've ever seen one
