You have no idea bro.

I totally sucked with those lags on that server.

But it was quiet easy to get him into the typical "I A MOD U A NOTHING" rage.

Wird dir WoW etwa zu langweilig?^^ Davon ab kannst du froh sein das ich mich dir angenommen habe bevor es ein anderer getan hat der dich nicht sogut kennt wie ich, davon ab hast du den gleichen Ping/Lag wie ich auf dem Server daher solltest du dich nicht hinter der Ausrede verstecken

That all makes no fucking sense.

If you would know me, you wouldnt say shit like "german proxy" and "proof you are german with speaking german" lmao.

Nope, with 2mbit and 24kb upload you are just fucked on that server.

Half of the map the loader is running where i got 700 ping.

The other half map, one of the 1000 wild mods appear and do the screenshot command on me where i have everytime about minutes 2k ping.

No i thought playing renegade would be a good idea, but it's nearly impossible to enjoy it these days.
